## Ettrick Forest Archers Silver Arrow Double Clout Shoot Sunday 12<sup>th</sup> July 2009

Ettrick Forest Archers shot for the 2<sup>nd</sup> time for the Selkirk Silver Arrow, any member able to shoot the 180 yard clout distance was entitled to enter for a chance to win this prestigious award, whilst for ladies only (who shoot at 120 yards) had their own new award this year "The Philiphaugh Silver Arrow".

The day started well with the weather being kind once again to the Archers in the morning session. Doug Anderson hit the first of several clouts scored during the morning. A break for lunch of soup and sandwiches and delicious pavlova and trifle (Wendy you're chief cook now) and then the archers were back on the line to shoot the afternoon session, hampered only by a squally shower and a few nasty gusts of wind. This did not deter some good scores being shot. As is now the usual at a shoot the

amount of banter and hilarity was there all day.

After all archers had shot their 72 arrows a short break was taken to allow the scores to be checked for the Best End shoot off participants. Four Gentlemen and three ladies took part in the shoot off. Mike Pearson did an adequate job in signalling the individual arrows.

The archers gathered for the presentations which were made by Patience Anderson as our Lady Paramount for the day, wife of The Selkirk Silver Arrow winner of last year Adair Anderson, who, unfortunately, was not defending his title today due to other commitments.

The Ladies winner receiving the Philiphaugh Silver Arrow was Elaine Pearson scoring a personal best on the day which included 5 clout hits.

The Gents winner Jim Stillie, has his name (the first to be added) to the new Plinth of the Selkirk Silver Arrow, the Plinth which was commissioned by The Royal Company of Archers and gifted to Ettrick Forest Archers for this occasion.

The Best Ends Shoot off winners were Ladies – Elaine Pearson and Gents – Robert Paterson -My Precious came up trumps for him again.

Thanks to everyone who helped make the day go well, those who set up and cleared the field, those who made lunch and to Patience for presenting the prizes, finally to all the archers who participated.
